

ARMY WELFARE PLACEMENT ORGANISATION®

www.exarmynaukri.com

1. Retired/retiring soldiers have a young age profile and keeping in view their domestic compulsions as well as long residual productive years, post retirement resettlement is a necessity. We construe this as 'National Social Responsibility'. Besides the efforts of Director General Resettlement (DGR), a strong necessity of having an in-house facility was appreciated way back in 1995. After due deliberations over a period of time Army Placement Agency (APA) was raised in May 1999 to help our veterans in finding suitable jobs in private and public sectors. Its scope was enhanced to include Veer naaris and their wards.

2. Since Apr 2010, AWPO like other sister Welfare Orgs AWHO, AWES and AGI etc has been registered as a nonprofit organisation (NGO) under the Registration of Society Act 1860 with enhanced scope of including dependents of serving/retired Army pers. In addition, the Organisation has now enhanced its scope to counsel the registrants/beneficiaries in career guidance and accordingly procedures for placements have been modified to make them all inclusive.

3. AWPO has a large data bank of registrants/beneficiaries i.e. Officers, JCOs, OR , Widows, Wards of Widow and Dependents which is being managed through an exclusive job portal www.exarmynaukri.com .Our success rate has been in providing jobs to approx 45-50% of the registrants.

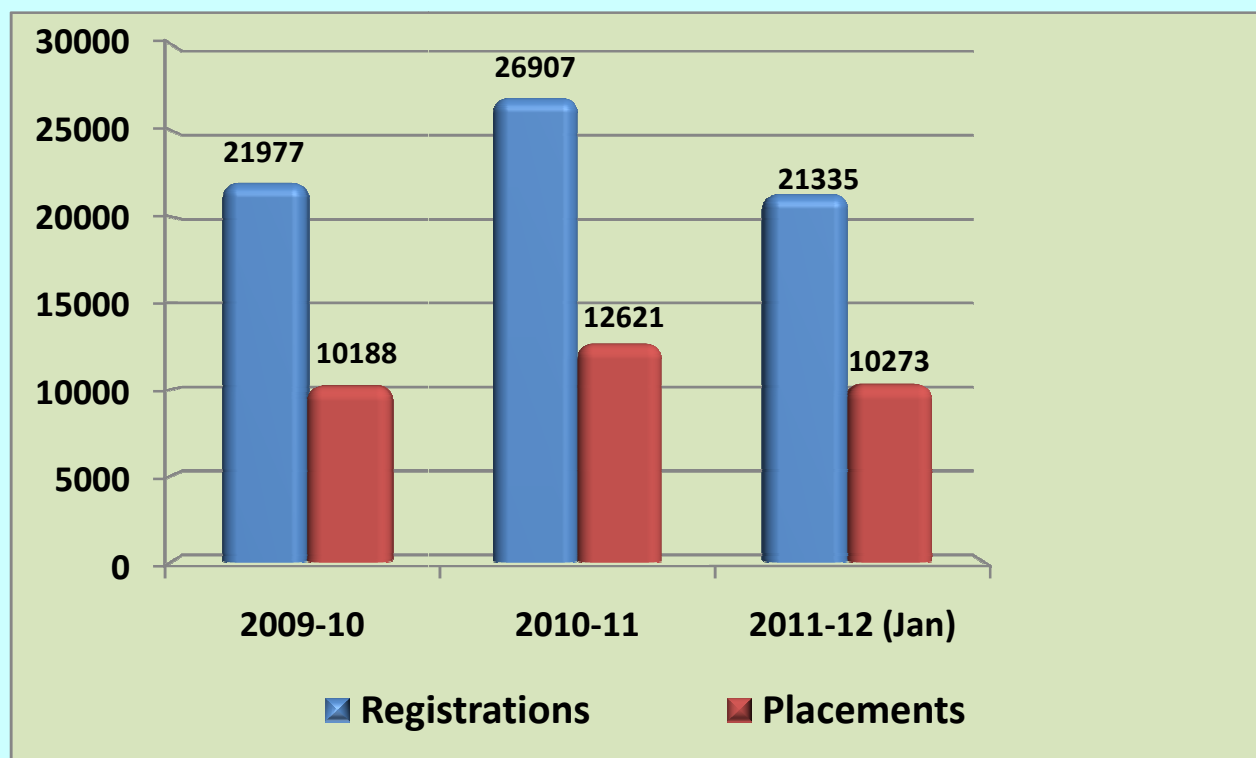

AWPO WEBSITE

4. AWPO has an interactive web site exarmynaukri.com . It provides host of facilities to both the registrants and employers. It facilitates on-line registration by applicants, job postings by prospective employers, search facility to applicants for jobs available and to the employers to select suitable candidates from existing data bank. Candidates registering on the website are

provided an exclusive Web Page where he/she can upload /modify registration form, pay registration fee online, and upload his resume/ photograph etc.

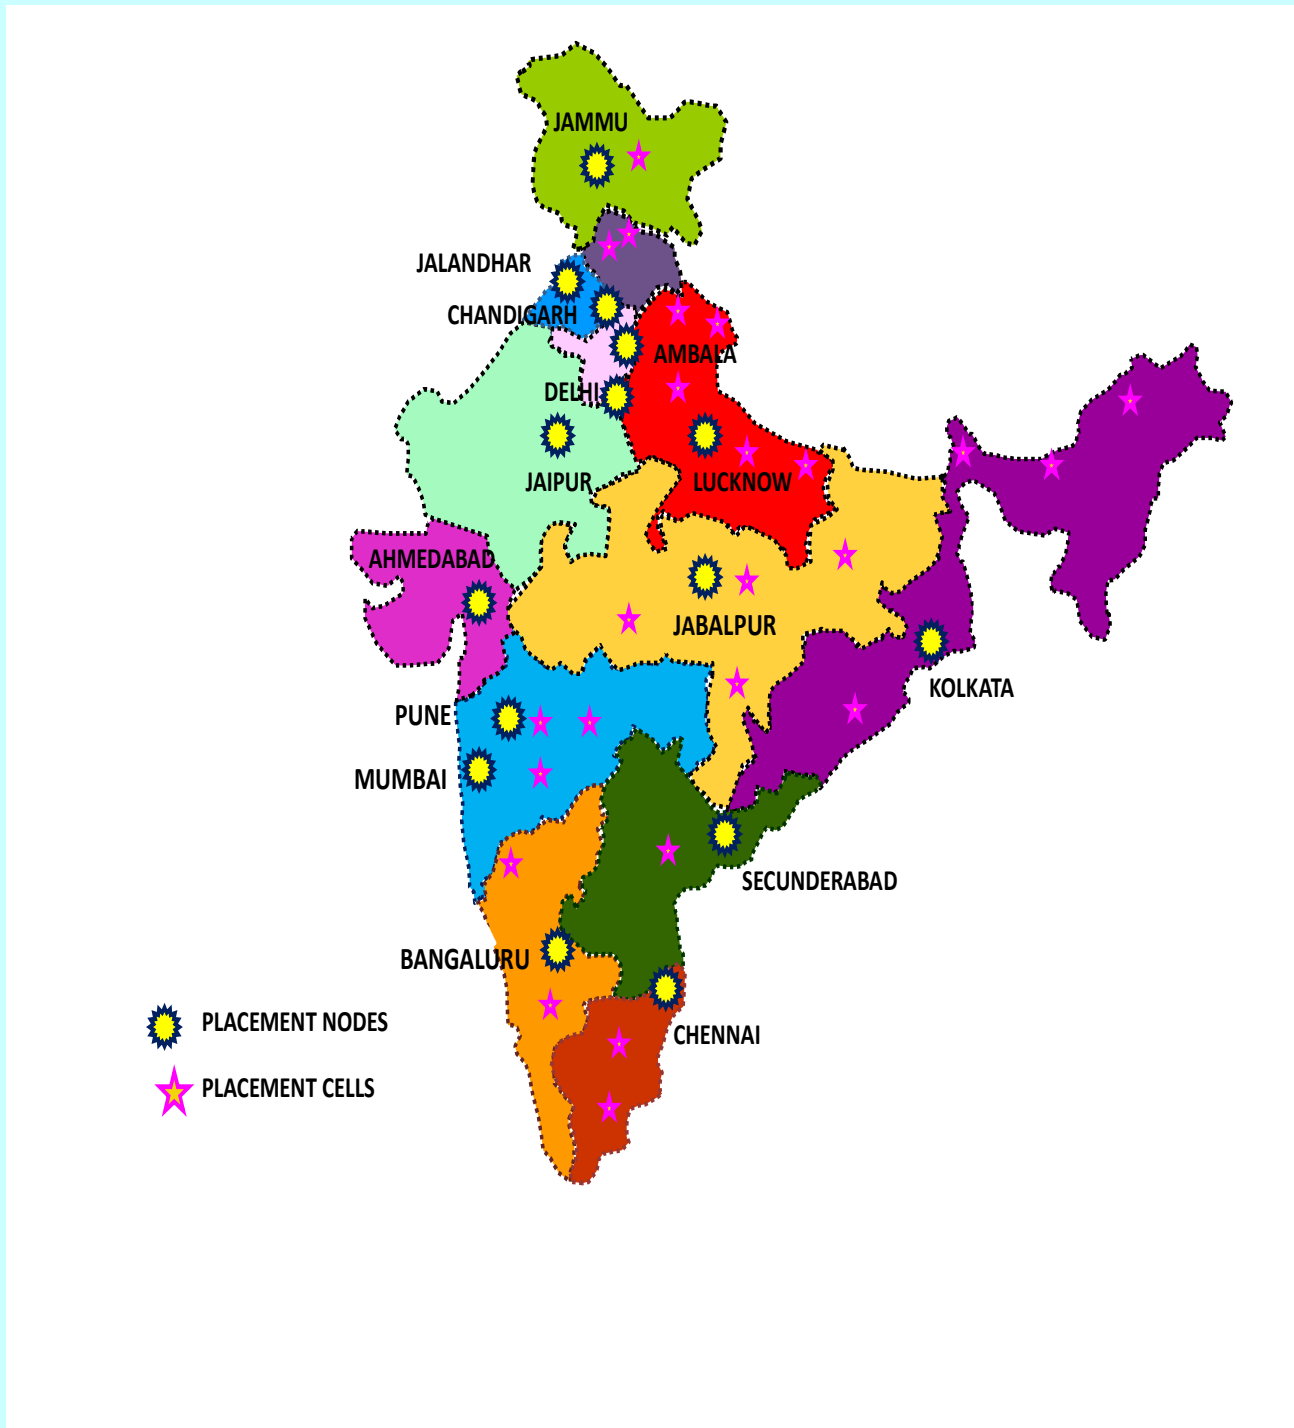

5. Website is upgraded on regular basis in order to include advance and user friendly features. One such recently introduced facility is Common Registration Form cum Resume. An automatic resume based on the registration form is build up and attached with registrant profile. This feature especially useful for the JCOs, OR and Widows categories, as they are lacking the resume, which is an essential requirement for sponsoring the name to civil employer. Facility for online payment of registration fee is also incorporated on the site. Candidates can now pay registration fee using debit/ credit card on the directly website, for detailed info, please visit the website.
